

Protection for your oil home heating equipment

Our Service Plans protect your heating equipment by combining preventative maintenance with repair coverage.

- ✓ Helps prevent unexpected breakdowns
- ✓ Coverage for many parts and labor if repairs are needed
- ✓ Annual tune-up for better efficiency and lower energy costs

It's simple peace of mind — knowing we've got you covered.

Value Comfort Plan

- Best for: Furnaces
- Annual Tune-Up included
- Coverage for essential burner, fuel supply & control parts and more

Value Comfort **Plus**

- Best for: Boilers
- Annual Tune-Up Included
- Everything in the Value Comfort, PLUS coverage for major components like circulators, zone valves & expansion tank

Terms and conditions apply.
